Subject: Boating Registration

Good Morning again Ms. Magras-Parris,

As briefly discussed in our telephone conversation, I am having issues updating our sexual offender public website with the information that was provided by Jeffrey Epstein. There appears to be an issue with the make and models that he has provided as they are not listed as options on our website. I am hoping that you can assist and have attached his boat listing.

Please let me know. Thank you!

Shani A. Pinney
